Guidelines for Internship Training at IARI

The internship training programme of **one to six months** will be offered to students doing **B.Sc/M.Sc/ M.Tech i**n Agricultural Science or Life Science disciplines, and **B.Tech (Biotech/Bioinformatics)** degree programmes. The training aims at providing an opportunity for carrying out research in various aspects of agricultural science.

Application in the prescribed format (Annexure I) with detailed biodata and relevant documents from prospective candidates will be received round the year and the students will be selected by a selection committee. The short listed candidates will be informed by email. The selected candidate will have to work in one of the on-going projects of the Institute under the supervision of a scientist of IARI.

- Any publication or IPR resulting from the internship training will be in the name of IARI.
- **The work done during the internship shall not be part of their dissertation or project in any form**.
- A course fee shall be charged- Rs. 10,000/- for one month, Rs. 20,000/- for 2-3 months and 30,000/- for 4- 6 months + GST @ 18**%** in the **form of Demand Draft in Favour of Director, IARI, Pusa New Delhi.**
- The applications will be accepted throughout the year but will be processed only twice a year in June and December respectively for the internship beginning in July and January of each year.
- **The closing date to receive the application will be 30th June for the July – December session and December 30th for the January - June Session.**
- **IARI will not provide any boarding/lodging, medical facility and any other benefits of the Institute to the trainees**.
- The completion Certificate for the training shall be given by the PME Cell on completion of their internship.
- All applications with complete details may be sent to nodalofficersi@iari.res.in or addressed to In charge PME, IARI, Pusa Campus, IARI, New Delhi 12.

All applications should be addressed to:
